Our Mail Auction Sales are conducted in all respects like a regular auction sale, without the expense of an auctioneer. The highest bidder gets the goods. In case two bids are the same, the first one received, is successful. If possible the second bidder will be supplied from stock. In case an unreasonably high bid is received it will be marked back to within 10 per cent. of the next highest bidder. So, with this understanding, bid all you are willing to pay for the article.

No commission charges. Express or register fees to be paid by purchaser. Satisfaction guaranteed or goods may be returned in 30 days. Unknown parties required to furnish good references. Bid so much per piece except when lot is mentioned. All bids should be in on or before March 25, 1902. Priced Circular of this sale will be sent on receipt of 20 cents in stamps.
